## Elective Preference Form 2026-2027

**STUDENTS ONLY:** Choose your elective preferences carefully after thoughtful consideration. You will be expected to remain in the elective(s) you request for the entire school year. In the **“Students Rank by Preference”** column, write a number next to each elective to indicate your preference. Write 1 next to the elective you want the most, 2 for your second choice, 3 for your third choice, and so on. Rank every elective listed and do not repeat numbers. Our goal is to place you in one of your top choices, but this cannot be guaranteed due to scheduling constraints and class availability. If a course has multiple levels (Beginner, Intermediate, Advanced, Level I, II, etc.), your school counselor will place you in the appropriate level.

**TEACHERS ONLY:** In the **last column**, please indicate **Recommendation** or **Request** (when applicable) and provide your signature.
